Roger Sams..... Saturday, September 17, 2011, 9 a.m.-1 p.m.

“Moving In/Moving Out: Enhancing Your Life and Learning in Your Music Classroom”

Music has a power that defies language. Movement can enhance physical vitality, reduce or release stress, and help you know yourself more honestly. This workshop will explore ways to use music and movement as a support for your life and learning in your classroom. We'll explore the possibility that becoming more skillful as artistic choice-makers can enhance the quality of learning in other life realms.

This is a workshop to promote team building with our students and colleagues.
